

SEEDLINGS

- **Angel Tree for Children:** Thanks for all of your support in purchasing, sorting and delivering gifts. More families (and more children) than ever before were helped this year. We also received several financial donations to help in this effort.
- **ARC Angel program:** After the congregation signed the Christmas cards for our ARC friends during the Dec 18 coffee hour, they were sealed and mailed on two different days during the next week.

We also hand-delivered 10 Christmas cards with Gift certificates to the ARC residence for the staff to give out to residents at an appropriate time of celebration. Cards were signed in Western Presbyterian Church's name.

- **Elder Angel program:** Two large fruit baskets were delivered to Tow Path Manor on Dec 20 for their Christmas holidays.
- **A Thank You note** has been received from the Presbytery of Susquehanna Valley for our \$150 donation to the flood relief program to benefit the churches involved in last fall's severe flooding.
- **We thank all of you for your support of our endeavors this past year, from making cookies to donating to the Food Pantry to giving blood to walking the CROP Walk to staffing Clothing Cupboard, Food Pantry, and Blood drives. Have a wonderful 2012 and please bring any comments and suggestions to the (your) Mission/Social Concerns Committee!**
