

## WESTERN SPIRE FEBRUARY 2023

### Gifts:

As we are still in the season of giving and reflecting on the greatest gift of all, Jesus, let us consider what a gift is and how we benefit.

Webster lists two definitions for gifts as: 1. a notable capacity or talent. 2. something transferred by one person to another without compensation.

There are at least 43 verses in the Bible regarding gifts and talents.

Most well know are **James 1:17**: Every good and perfect gift is from above, coming down from the Father of heavenly lights.

**1Corinthians 12: 4**: Now there are diversities of gifts but the same spirit that gives them.

**Romans 12:6-8**: 6. Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy. 7. Or ministry, let us wait on out ministering: or he that teacheth, on teaching. 8. Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity, he that ruleth, with diligence; he that seweth mercy, with cheerfulness.

Basically, this means we are all given gifts and talents and should use them as we are called. During the past year and half, WPC has functioned well because of all the talented and giving people in our congregation. They do it not for money or reward, but because of love and the desire to serve and glorify God. As someone on the Fellowship team pointed out, "I enjoy working with our committee. I feel we are planning events for our family, our church family. These events allow us the opportunity to connect with others socially and inexpensively. It is a great way to support each other and have fun."

These people belong to various teams working behind the scenes. They are: **Christian Education**, working to guide our children and elders toward serving Christ. **Deacons**, who use their talents to pray and care for our spiritual needs. **Fellowship**, who work for our enjoyment of social activities as we honor and glorify God. **Finance**, who see that our church follows a Christ centered path to continue our missions. **Missions and Social Concerns**, these dedicated people struggle with the many needs of the community both locally and globally. **Property**, hard workers who are dedicated to maintaining our beautiful building inside and out. **Worship**, these are the people who see to it that our worship services, regular and special, are both enjoyable and fulfilling in our praise to God.

There are lots of opportunities to enjoy and enhance our Church life and family. Please reach out to any team member and ask how you can serve if you feel called. This is what Jesus wants us to do. Let your light shine! Do not hide it under a basket.

## ***Women's Circle of Fellowship and Faith discussions***

There was a delightful gathering of ladies that joined together to talk about Ruth and Naomi from the Bible this month. We did not just talk about these amazing women, but about the struggles that we might have that reflect the struggles of our predecessors. We spoke of our state of need and our way of reaching out to others. We looked at the fact that sometimes an outsider might help us to focus on being there for those in need right in front of us. We spoke of hunger, where our church attempts to ease food insecurities of others. We

asked if it's easy to see those that are hungry, they do not wear a sign that says, "Feed ME!" We need to be sensitive to the needs of others, the needs that are unspoken.

Famine can be a kind of hunger that goes beyond our need of food, it reaches out to our emotional hunger. The void of friends, hope, and fellowship, the hunger to being accepted. We have looked at ourselves and how we can intentionally be better as we walk along our path with Jesus beside us.

This gathering is a safe place, and the discussions and connections strengthen our sense of community with our faith-based sisters. We joyously welcome all to the table. Consider joining us on the third Wednesday of the month at 1 pm in Fellowship Hall.

For any questions, contact Jan Taylor or Randy Kennard.

**Our next meeting is February 15<sup>th</sup> at 1pm.  
Please come and join the discussion....**

Thank you to all the generous Presbyterians who donated shoes that are on their way to Honduras. Six boxes were stuffed with all sizes and styles. The shoes were loaded in a container and were shipped in January. Healthy Ninos Honduras will disseminate the shoes out to the mountain villagers where the need is great.

Please know how much I appreciate the support!

Together we can do so much!!!

Rena Haigh

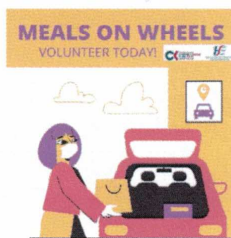

## Western Presbyterian is a Hunger Action Congregation.

Until Spring, please bring in boxed food that will not be spoiled when it is freezing outside.

Mac and Cheese, Pasta, Stuffing,  
Scalloped Potatoes, Cereal, Bread,  
etc.

Remember kids are out of school the third week of February. Families that are food insecure won't have school meals at lunch to feed their children. PBJ ingredients, cereal, and other items that are easy for children to fix themselves would be perfect for the food cupboard.

All "Meals on Wheels" meals are now being done through the ARC. The Mission Team will have more information about how we can help with delivery.

Two Articles from FRAC newsletter of January 23<sup>rd</sup>. You may wish to contact our lawmakers about these 2 hunger articles.

Spectrum News, January 19, 2023

New York Gov. Kathy Hochul is preparing to submit the state's executive budget by February 1. A growing number of lawmakers are urging the governor to include a Healthy School Meals for All proposal, which would commit \$200 million in funding for free school meals.

2. [Looming Cuts to SNAP by New Congress](#), Foodtank, January 19, 2023

Anti-hunger advocates say cuts to SNAP benefits passed as part of the 2023 Omnibus spending bill will hasten an imminent hunger cliff for millions of program participants. The cuts come, according to FRAC SNAP Director Ellen Vollinger, "at a time when we're hearing, anecdotally, from emergency food providers around the country [about] how tough it is for them to keep up with the demand that they're seeing, even toward the end of 2022."

Sunday Mornings at 9:00am

We will start with these 4 weeks. If the group would like to continue, we can after Easter.

Lead by Jody Pruitt ~ CE Team  
Meet in Fellowship Hall

"This book is a collection of short Bible studies designed to lead us through a meaningful engagement with God's Word. We will explore the subject of **Christian fellowship**, which is the main biblical incentive for small groups." Each chapter is independent of the others, so we can pick and choose our focus. As we continue to look for our leadership for WPC, I think it's important to revisit 'Fellowship with God' and 'Fellowship with Each Other'. Also, to remember to 'Put Each Other First' and 'Build Each Other Up'. I believe these chapter topics will help us do this. Books are \$10.00 each

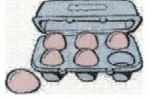

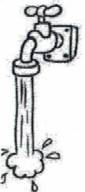

During Lent 2023 the Mission and Social Concerns Ministry Team invites your family to ponder all the blessings you have. "Put in the loaf bank amounts" are suggestions and you may give as you are able. On Sundays, we have put a Bible verse about food, faith, and good deeds. We hope it will remind you of all the blessings you have.

The donations will be collected on Palm Sunday, April 2nd, but you may bring them back at your convenience. The money collected will be sent to the Presbytery for Hunger Grants and will be used at food ministries throughout the Presbytery.

Thank you for caring and sharing during Lent of 2023.

The best gifts are personal gifts, things that show someone we really know them and care about them. The gifts the wise men brought do not seem like gifts for a baby, but they were the perfect gift for the King of Kings!

Through scripture, music, readings and a skit, "The 3 Wise Guys: Gifts Fit For A King," our youth & young adults taught us what the gifts of the wise men were and reminded us that no matter how dark our world may be, there is still a star shining bright to light our way back to Christ.
